**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

Claim 1 (currently amended): A hand shield adapted for use with a hockey stick, comprising:

a flexible shield portion having a convex outer surface, a substantially concave inner surface configured to shield all or part of a hand, and an opening configured to accommodate a portion of a hockey stick that may be passed therethrough; and

an interior grip portion connected to said shield portion and extending away from said shield portion and configured so as to slidably embrace said hockey stick.

Claim 2 (original): The hand shield as set forth in claim 1 wherein said interior grip portion extends away from the perimeter of said opening.

Claim 3 (original): The hand shield as set forth in claim 1 wherein said interior grip portion comprises a plurality of generally parallel flexible tabs.

Claim 4 (original): The hand shield as set forth in claim 1 wherein said opening is generally rectangular.

Claim 5 (original): The hand shield as set forth in claim 1 wherein said opening is configured so as to accommodate multiple cross-sectional configurations of said hockey stick.

Claim 6 (original): The hand shield as set forth in claim 5 wherein said configurations are a rectangular cross-section, a polygonal cross-section, a circular cross-section and an oval cross-
